

KAMILLE GOMEZ

Professional Experience

Cardinal Health Fuse Commercial Technology Lab Intern

MAY 2018 - AUGUST 2018 | DUBLIN, OHIO

- Created wireframes for an operational dashboard, soliciting feedback from stakeholders to optimize user experience and allow customers to efficiently navigate over 90 data feeds
- Used Ember and Bootstrap to develop an operational dashboard, increasing overall productivity by decreasing the need for manual labor by three hours a week
- Optimized productivity of a data lake by analyzing and performing system checks on specialty practice data using SQL, Excel and Python
- Developed a better user experience by designing a compliance dashboard that ensures PII and HIPAA requirements will be met for over 4,000 pharmacies
- Designed infographics that explained key concepts and statistics of the data lake to Cardinal Health Directors and other business teams using Adobe Creative Suite

Cayuga's Watchers Webmaster

JANUARY 2018 - PRESENT | ITHACA, NEW YORK

- Managed the website for Cayuga's Watchers, a student-led 501(c)(3) independent organization formed to promote student safety and awareness of the harms associated with high-risk drinking
- Polled the executive board and other members of the organization to solicit feedback that is used to inform the website design and to ensure an optimal user experience
- Utilized HTML, CSS, JavaScript and the Bootstrap framework to continuously maintain and update the site

Laboratory for Accelerator-Based Science and Education Graphic Design Assistant

JUNE 2017 - JANUARY 2018 | ITHACA, NEW YORK

- Designed brochures and posters with Adobe Creative Suite for the Cornell High Energy Synchrotron, one of the largest particle accelerators in the world
- Created 50 square foot banners and maps that were distributed to manufacturers and displayed in factories, as well as press releases to generate interest in the Chess-U Upgrade Project
- Developed wireframes for the Wilson Laboratory 50th anniversary website and transformed them into a mockup that was used to petition for funding
